

Acknowledgement

We want to acknowledge the splendid efforts by Lisa Skorupski, Applied Mathematics, Inc.; CAPT Dave Gove, CAPT Larry Olsen and CDR Greg Schwenk, Submarine Development Squadron TWELVE.

Financial assistance was provided by SAIC, Applied Mathematics, Inc., Naval Submarine League, Electric Boat and Analysis & Technology.

Previously published interviews with Rear Admiral Roy Benson on the origins of Submarine Development Group Two are reprinted by permission of the U.S. Naval Institute Oral History Program.

Symposium Committee

Admiral Bruce DeMars, USN (Ret)

Dr. William J. Browning
